## DESCRIPTION:

When the body of controversial talk-show host Walton Weeks is discovered hanging from a tree on the outskirts of Paradise, police chief Jesse Stone finds himself at the center of a highly public case, forcing him to deal with small-minded local officials and national media scrutiny. When another dead body - that of a young woman - is discovered just a few days later, the pressure becomes almost unbearable. Two victims in less than a week should provide a host of clues, but all Jesse runs into are dead ends. Despite Weeks's reputation and the girl's tender age, Jesse is hard-pressed to find legitimate suspects. Though the crimes are perhaps the most gruesome Jesse has ever witnessed, it is the malevolence behind them that makes them all the more frightening. Forced to delve into a world of stormy relationships, Jesse soon comes to realize that knowing who he can trust is indeed a matter of life and death.
