ROBERT B. PARKER

SALES POINTS:

- Every new Parker sells 150,000 hb's in the US and is a NY Times Top 10 bestseller
- UK backlist sales now approaching 250,000

DESCRIPTION:

When a serial murderer dubbed "The Spare Change Killer" by the Boston press surfaces after three decades in hiding, the police immediately seek out the cop, now retired, who headed the original task force: Phil Randall. Phil calls on his daughter, Sunny, to help catch the criminal who eluded him so many years before. Sunny is certain that she's found her man after interviewing just a handful of suspects. Though she has no evidence against Bob Johnson, she trusts her intuition — but persuading her father and the rest of the task force is a different story.

When the killer strikes a second and third time, the murders take a macabre turn, as the victims each eerily resemble Sunny. In a compelling game of cat-and-mouse, Sunny uses all her skills to draw out her prey, realizing too late that she's setting herself up to become the next victim...

CRITICAL ACCLAIM:

'...Parker can spin a tale with the best of them - most of the time, he is the best of them. He riffs smoothly off Sunny's blue mood...'- **New York Times Book Review**

'...Robert B Parker is one of the greats of the American hard-boiled genre...'
- **The Guardian**
