The Second Jesse Stone Mystery

Stiles Island is a wealthy and exclusive enclave separated by a bridge from the Massachusetts coastal town of Paradise. James Macklin sees Stiles Island as the ultimate investment opportunity: all he needs to do is invade the island, blow up the bridge, and get to work. To realise his investment, Macklin, along with his devoted girlfriend, Faye, assembles a crew of fellow ex-cons - all experts in their fields - including Wilson Cromartie, a fearsome Apache. James Macklin is a bad man - a very bad man. And Wilson Cromartie, known as Crow, is even worse. Paradise police chief Jesse Stone has his hands full battling this ruthless gang of thieves along with his own personal demons.

PRAISE FOR TROUBLE IN PARADISE:

'Parker’s sentences flow with as much wit, grace and assurance as ever, and Stone is a complex and consistently interesting new protagonist' - Newsday

'If Robert B. Parker doesn’t blow it, in the new series he set up in Night Passage and continues with Trouble In Paradise, he could go places and take the kind of risks that wouldn’t be seemly in his popular Spenser stories.' - New York Times
